ABOUT US

The Digital India Programme is a flagship programme of the Government of India with a vision to transform India into a digital society and knowledge economy. The Digital India vision provides intensified impetus for further momentum and progress of digital-governance and would promote inclusive growth that covers electronic services, products, devices, manufacturing and job opportunities.

The National Portal of India (<https://india.gov.in>) provides single window access to information & services being offered by entities of the Indian government at all levels. The portal has been designed and developed by National Informatics Centre, Ministry of Electronics and Information Technology, Government of India as a mission mode project. National Portal of India has a vision to promote engaging digital initiatives. To give due recognition to the exemplary efforts in this direction, the Digital India Awards have been instituted under the ambit of National Portal of India. The Awards aim to recognize the noteworthy and sustainable initiatives in the realm of digital-governance as well as to disseminate information about such initiatives for others to customise and replicate the success stories.
